

VITH

Value. Reimagined.

Z

VALUE. REIMAGINED.

Vitan Equipment began with one clear mission: to deliver value, efficiency, and productivity to its partners by breaking the traditional material handling mold. Through a commitment to be of service and a deep desire to pursue innovation that disrupts the status quo, Vitan is positioned to be the leader in the material handling industry. Imagine a partner whose commitment to service is rooted in the humble beginnings of a single technician. Imagine a partner whose drive for innovation has blossomed into leading technology that helps organizations maximize their fleet. Imagine a partner backed by more than 80 years of superior service that uses its experience and financial stability to help you build a better business. Vitan is proud that this is no longer just a vision of the future, but the reality of what we bring you today.

YOUR END-TO-END MATERIAL HANDLING SOLUTION PROVIDER.

Vitan Equipment offers everything you need to maximize the way you run your business. Our experienced staff will work with you to create a customized solution to help your organization become more productive and efficient. Our deep knowledge of equipment and the latest technologies to analyze data help support a team that is focused on assisting you in making the best decisions for your fleet.

In addition to selling new and used equipment, Vitan offers service, parts, rentals, operator certification training, warehouse solutions, floor cleaning equipment, and fleet management.

We're here and we're ready. Let's get to work.

Built by **FRAZA**

THE RIGHT TOOLS FOR THE RIGHT SITUATION.

We're more than forklifts. We're your one-stop shop for all materials management. From forklifts to warehouse solutions to utility vehicles, whatever you need to move within your business, we have the right solution.

BRANDS YOU CAN TRUST.

You depend on the quality, durability, and productivity of your equipment every day. That's why we carry best-in-class brands that we can put our name behind. Our extensive product offering allows our team the unique opportunity to deliver a custom solution specific to your company application.

SERVICE

**EXPERTS
OF UPTIME.**

WE UNDERSTAND HOW IMPORTANT IT IS FOR YOUR BUSINESS AND EQUIPMENT TO STAY UP AND RUNNING.

Vitan is affiliated with a material handling company that has been in business for 80 years. With close to a century of service experience, we've learned a few things. That's how we've perfected the business of uptime. We assign a dedicated team of technicians to your account, no matter the make or model of your equipment. This means more familiarity with your fleet so that we can diagnose, service, and repair quickly and efficiently.

We provide industry-leading forklift service and repair through:

- Highly trained technicians ready to service your equipment anytime, day or night
- 24-hour emergency service
- Service vans equipped with state-of-the-art diagnostic equipment, a large parts inventory, and extremely skilled, highly trained technicians
- Competitive labor rates
- The latest diagnostic equipment for the quickest possible repair process
- Service at your site or ours
- Paperless communications

PLANNED MAINTENANCE PROGRAM

Manage your fleet with the confidence of support from Vitan. We'll recommend appropriate maintenance intervals for your equipment, and our highly trained technicians will conduct the comprehensive, periodic service. We provide you with a detailed, itemized report on each machine.

FLEET MANAGEMENT

For our Planned Maintenance customers, we offer an online fleet management tool that lets you see your entire material handling equipment usage in one place.

FULL MAINTENANCE PROGRAM

Let Vitan manage your fleet maintenance on your behalf. We survey your application and recommend the minimum number of forklift trucks for maximum production at the lowest possible cost. You'll pay a fixed monthly rate for the maintenance of your equipment for the life of the contract. It includes everything you need to keep your fleet running efficiently, including loaners and emergency service.

OTR SERVICE

We service over-the-road vehicles, vans, pickups, trailers, and more, including conducting certified DOT inspections right at your worksite.

RENTALS

WE'VE GOT YOUR BACK.

**WITH OVER 600 PIECES OF RENTAL EQUIPMENT
IN OUR RENTAL INVENTORY, WE CAN SUPPORT
OUR CUSTOMERS AT A MOMENT'S NOTICE.**

PARTS

WE KEEP YOU UP AND RUNNING.

With more than 150,000 forklift parts in inventory, we have what you need to get rolling fast. If the part you need isn't in stock, we can get it quickly, regardless of brand. Our non-stock parts are delivered expediently, and our premium service includes overnight delivery.

WE ARE PROUD TO PROVIDE:

- Cross-referencing and sourcing for all makes and models – all Totalift® parts have a six-month warranty
- Computerized inventory control system so that we can respond quickly to your parts inquiries
- Cascade® Attachment Dealer
- Authorized Rightline® attachment dealer
- Competitive pricing
- Batteries and chargers

FLEET MANAGEMENT

TAKE CHARGE OF YOUR FLEET DATA.

FLEET MANAGEMENT

Vitan has the ability to provide access to all your fleet data. Quarterly business reviews are available upon request, and for an additional investment, customers can receive access to our online fleet management tool. With this tool, the service and repair details for each piece of your equipment are stored and organized for easy reporting. You can view and download your machine's service history, expense ratio, types of repairs, spend analyzer, lifecycle information, goals, and cost at your convenience.

TELEMETRY

In today's environment, understanding the movement and data of your equipment is essential. We offer our customers the option of adding telemetry to each of their fleet units to provide real-time data to help make faster and more efficient fleet management decisions. Vitan's best-in-class practices allow our partners the competitive edge needed to enhance productivity and profitability.

WE'RE READY TO GET TO WORK.
